We have your letter of 6/2/95 requesting a copy of POST-MORTEM: JFK Assassination Cover-up Smashed.

With the exception of two, all the books we have are the original editions.

We have not raised their prices. But for people who cannot afford to pay, we have one policy: We supply a book which has been slightly damaged and is unsalable. This is a practice which we have followed from the beginning. If we do not have an imperfect copy of the title requested, we send another title. We make no exceptions.

What we have now is WHITEWASH II: The FBI-Secret Service Cover-Up. We hope you will enjoy it.

Sincerely,

Lillian Weisberg
